Seminars of the Master Jeffrey Yuen

Rome (Italy) - 2019

The 2019 **Xin Shu Seminars** delivered by the Daoist Priest **Master Jeffrey Yuen**, on Qi Gong and Classic Chinese Medicine. The Seminars will take place in Rome (Italy), May 17-19, with the following programme.

Programme

Friday May 17, 2019 - 10:00 a.m. - 6:00 p.m.

"5 Animals Qi Gong"

The 5 Animals Qi Gong is attributed to Hua To, who lived between 110 and 208 A.C. The 5 animals exercises are widespread and practiced worldwide. There are over 40 versions; some are adapted to martial arts, to Tai Ji and others evolved as medical Qi Gong exercises. A few of the exercises were designed to enable the layperson to adapt them within a daily exercise regime. Master Jeffrey Yuen shows us the way to practice the 5 animals Qi Gong in the original classic tradition, to help and regulate the flow of Qi and to harmonize organs and viscera.

Saturday May 18, 2019 - 10:00 a.m. - 6:00 p.m.

"The Study of the points of the meridian Zu Tai Yin: Spleen"

The class will develop the study of Zu Tai Yin (SP) meridian, deepening the meaning of the points in Classical Chinese Medicine with references to the use of the points in the most modern Traditional Chinese Medicine.

Master Jeffrey Yuen will make particular reference to the energetic function of the various points, to the possible combinations and useful therapeutic strategies in the clinical practice.

Sunday May 19, 2019 - 10:00 a.m. - 6:00 p.m.

"The Way of Healing according to the Classics: Sun Si Miao teachings in pediatric clinic"

Sun Si Miao (581-682 CE. Sui and Tang dynasty) belonged to the Yu Qing Huang Lao Pai (Jade Purity Yellow Emperor Lao Tzi School), as Master Jeffrey Yuen (88th generation). Sun Si Miao was a famous Chinese medicine doctor in the Daoist tradition. He is a major reference for his significant contribution to medicine and tremendous care given his patients. He wrote two books that were both milestones in the history of Classical Chinese medicine: Beiji Qian Jin Yao Fang ("Essential Formulas for Emergencies a Thousand Ducats of Gold Worth") and Qian Jin Yi Fang (Supplement to the Essential Formulas Use Worth a Thousand Ducats of Gold). The former listed 5300 recipes for medicines, and the latter 2571.

Sun Si Miao gives precise indications to "self-cultivation" in his medical ethics:

- Be present to what you are doing
- Listen to the patient
- Keep contact with the divine through silence and meditation

Furthermore, Sun Si Miao believes that the alchemical transformation will improve life, and that changing oneself will modify illness.
